

September 1, 1983

The Board of Supervisors of Codorus Township met in regular session on September 1, 1983 at 7:30 P.M. in the township office. Present were Board Members: Larry Luckenbaugh, Charles Wehrly and Leroy Thoman. Others present were Mr. & Mrs. George Gerba, Mr. & Mrs. Craig Wolf, William Forbes and Doris Rill.

The Chairman, Charles Wehrly, called the meeting to order.

Copies of the minutes were available for those present and the Board Members.

The minutes stand approved as read.

Mr. Gerba asked if the Township would consider making Valley View Drive a hard surface road. It was stated at the opening of Mr. Gerba's remarks that he is a resident of the Borough of Jefferson, but that the road in front of his home is a Codorus Township Road. Mr. & Mrs. Wolf also live in the Borough of Jefferson. The Gerbas and the Wolfs feel that they are in a unique position because of being Jefferson taxpayers with a Codorus Township road running past their homes.

The Gerbas and Wolfs complained of the dust and wanted to know if the Township would put calcium or oil on the road to keep down the dust. The Board told them the Township would not do this, but if they wanted to put something on themselves, they could. William Forbes is also in favor of having Valley View Drive improved since his son lives along the road, and Mr. Forbes has other land along the road.

The above persons were told that the Township has no plans at this time to tar and chip this road, but that there may be a possibility of doing this in the future. Mr. Gerba and Mr. Wolf were told to contact the Borough of Jefferson to see if the Borough would consider helping with improving the road, and to get back with the Board.

Supervisor Larry Luckenbaugh told the above persons that if the Township would consider improving Valley View Drive, it would not be before 1985, since the Board has already considered other roads for improvement for 1984 & 1985, and after that time, it would depend on monies available before any consideration would be given to this road.

Mrs. Doris Rill stated that the Diehl/Bahon road is getting worse and that nothing more has been done since the straw bales were placed on the road.

The Board discussed the plan the Jefferson Sportsmans Club has for changing the rifle range. Robert Hilker, president of the Club, had stated the Club would move the range and go down twenty five feet to make the back stop higher. The Board would recommend to the Zoning Hearing Board that this plan be approved if the changes were made as stated by Mr. Hilker.

The bills were presented to the Board. Leroy Thoman made a motion to pay the bills, seconded by Larry Luckenbaugh. This motion passed.

The Board voted to send the secretary to a budget workshop on September 21. The workshop is being sponsored by the Pa. Dept. of Community Affairs.

The meeting adjourned at 10:00 P.M. on motion of Charles Wehrly and second by Leroy Thoman.

Respectfully submitted,

Goldie Day
