

June 2, 1983

The Board of Supervisors of Codorus Township met in regular session on June 2, 1983 at 7:30 P.M. in the Township Office. Board members present were: Leroy Thoman, Charles Wehrly and Larry Luckenbaugh. Others present were Richard Brenneman, Charles Becker, John Klinedinst of C.S. Davidson Engineering, Mr. & Mrs. Barry Gillespie and Joann Snyder.

The Chairman, Charles Wehrly, called the meeting to order.

The minutes were distributed to the Board and made available for the public. The minutes were approved as read.

John Klinedinst of C.S. Davidson Engineering presented the results of the 1982 Bridge Inspection Program on Township bridges. This inspection program was funded by the County and Federal Government. Mr. Klinedinst went over the inspection report and made some recommendations to the Board concerning guard rails, and other repairs. A copy of this report was filed with the Secretary.

Richard Brenneman and Charles Becker, representatives from the Jefferson Sportsman's Club were present and asked why there had been a change in the decision the Board of Supervisors and Planning Commission made to the Club on May 16th when the rifle range in question had been inspected by the Board members and Planning Commission members. The Board stated that the Planning Commission members had discussed this matter at the Commission meeting held May 26, 1983, and that two members of the Commission had changed their minds concerning the decision made May 16th. The Board advised Mr. Brenneman and Mr. Becker that it will be necessary for a Zoning Hearing and that the Board of Supervisors will recommend to the Zoning Hearing Board that the Club be allowed to continue with the 400 yard rifle range with recommended changes.

Mr. Brenneman and Mr. Becker stated that the Club wishes to be advised when anyone from the Township visits the Club property so that the Club arranges for representatives of the Club to be present.

Barry Gillespie reported that he has a problem with the property lines on the land he purchased from the Maggie Reeve estate and has constructed his driveway on a portion of the Ervin Bricker property. He will now need to purchase approximately 2 tenths of one acre from Mr. Bricker. The Board instructed Mr. Gillespie to come to the June 30th Planning Commission meeting before having any plans drawn up.

Joann Snyder gave the tax collection report for the month of May and also turned in a list of 89 per capita taxes for 1982 which have not been paid.

Charles Wehrly made a motion to exonerate Joann Snyder for the 1982 per capita tax for Ruth Ness and for 89 unpaid 1982 per capita taxes. Larry Luckenbaugh seconded this motion. The secretary will turn the list of 89 uncollected per capita taxes over to Montgomery & Tomlinson for collection.

Leroy Thoman made a motion to issue a road occupancy permit to General Telephone Co., seconded by Charles Wehrly. This motion passed.

Charles Velzy Engineering has completed the engineering work on the Daron/Pentland Road embankment removal and asked the Supervisors to review the drawings. The secretary will order the insurance policy requested by Western Maryland Railway Co. for this project.

The meeting adjourned at 10:00 P.M. on motion by Larry Luckenbaugh and second by Leroy Thoman.

Respectfully submitted,

*Goldie Day*

Goldie Day, Secretary
