Kim Erdman was before the Board with a proposal to become the Township's animal control officer. Kim stated that he would be available 24 hours a day, 7 days a week. The state dog warden is only available Monday – Friday from 8:00 – 4:30. Kim would take injured dogs to the emergency vet clinic. He would try to find the owners of lost dogs or take them to the SPCA. The Board will consider Kim's proposal and get back to him.

Robert Tumberlison a resident of Sticks Rd. had a complaint about the lights on the new church located across from Friendship School. Robert lives at the bottom of the hill and the lights are very bright shining into his house. Lamar will look into this issue.

Laverne gave the roadmaster report. The trees were planted at the park. The men have been doing storm cleanup and working on the trucks. Laverne would like to order another set of chains for the Township pickup truck. This would be ok with the Board.

Barbara Dauber of Chestnut Grove Road called to say she has a hardship trailer on her property that she cannot get off of the property due to a trench her neighbor put in. Since the hardship no longer exists she would like to use the trailer for storage. The Board decided the trailer cannot be used for storage and will need to be removed.
