

June 7, 2012

The Codorus Township Board of Supervisors met on June 7, 2012 at 7:30 P.M. Board members present were: Lamar Glatfelter, Bob Gladfelter and Brian Kaltreider. Others present were: April Rehbein, Roland & Patricia Cumor, William Davis, Debra Smith and Laverne Wolfgang.

The meeting opened with the pledge to the flag.

The minutes were presented to the Board. There was a typo in paragraph 11. It should read Rutters instead of Ratters. In paragraph 6 the word been should be inserted between not and delivered. The minutes were approved as corrected.

Under public comments Roland Cumor asked if the board had any intentions of paving Sunny Slope Road. The Board plans on applying for a dirt and gravel road grant for this road next year.

Mr. Cumor would also like to get an extension on a permit that he got for garage demo and a fence. He was told to contact Peter Schilling.

Laverne gave the Roadmaster report. The tar & chip patching work is almost completed. The road crew plans on tar & chipping Pine Valley Rd and the parking lot of the park on Monday. Blacktop work on Shaffers Church Rd. should be done in August. DSA will be place on Johnson & Young Roads the middle of August.

Lamar met the Penn Dot Representative to go over the Shaffers Church Road projects. Lamar was told a double yellow line should be put on the road since liquid fuels money will be used on the project.

The bills were presented to the Board. Bob made a motion to pay the bills, seconded by Brian. The motion carried. Vote 3-0.

Respectfully submitted
