The meeting opened with the pledge to the flag.

The minutes were approved as presented.

Carolyn Bupp asked if they go through with the subdivision with Fishers if their properties will be considered new properties or properties that previously existed. Attorney Herrold stated that they would be considered new properties. The subdivision will bring the properties into compliance with the Township Zoning Ordinance. Steve Bupp commented that if the Township considers that the properties are new it would change everything. Steve wants to know if they can operate what they had, or will they need to start from new. Attorney Herrold stated that it wouldn't have any effect on valid permits. The Board will get together with Attorney Herrold and Keith Hunnings and figure out what uses are valid.

Lamar reported that stones are coming out onto the road from the Fireworks place on Greenmount Church Road every time it rains.

Carolyn Bupp said she would like to request that Jeff Shue at C S Davidson review the subdivision plan that was sent in and reviewed by Adam Smith.

Carolyn asked if Eric Swiger was doing anything about the complaint, she filed against the Fishers for cattle escaping onto their property. Bob will check in with Eric.

Steve Brenton asked if he could put a light on his sign to be lite when he is open in the evening. He was told to contact the Zoning Officer.

The bills were presented to the Board. Bob made a motion to pay the bills, seconded by Charlie. The motion carried. Vote 2-0.
