The Board discussed appointing a new member to the Planning Commission to fill the unfinished term of Richard Masimore. Bob made a motion to appoint John Amspacher. Charlie seconded the motion. The motion carried. Vote 3-0.

Bob Gladfelter reported on the road work that needs to be looked at. The culvert bridge on Greenmount Church Rd. He is looking at two different options. An arch culvert would be approximately \$6,000 without the wing walls. A culvert box with the wing walls included would be approximately \$39,700. The culvert box would take less time and prep work. It would also be less time that the road would be closed. Bob also said there is a section of Greenmount Church Rd. and Shaffer Road that need some work.

Charlie received a quote from Schmitt Construction for the roof on the Township Building. The roof can be repaired and coated for \$9,473.00. Charlie will also get a quote on new gutters.

Lamar reported that the disc golf guys will be pouring the pads on 5-16-19. He also reported that the soccer field needs to be rolled.

The bills were presented to the Board. Bob made a motion to pay the bills, seconded by Charlie. The motion carried. Vote 3-0.

The meeting adjourned at 8:00 PM

Respectfully submitted
