The Codorus Township Board of Supervisors met on June 2, 2016 at 7:30 P.M. Board member present were: Lamar Glatfelter, Bob Gladfelter and Charlie Van Scoyoc. Others present were: April Rehbein, Steve & Carolyn Bupp, Terry Ruby and Warren & Lucy Cadwallader.

The meeting opened with the pledge to the flag.

Bob made a motion to approve the minutes as presented, seconded by Lamar. The motion carried. Vote 3-0.

Carolyn Bupp announced that she is recording the meeting. Lamar announced that the Township is also recording the meeting.

Steve Bupp said he wanted to remind the Board that they wanted to check with Attorney Herrold regarding an alternate SEO.

Lucy Cadwallader is a Glen Rock Borough resident concerned about the detour for the bridge on S.R. 216. Tractor Trailers are turning on to Narrow Gauge Road crossing the one lane bridge and coming down Hanover Street in Glen Rock. The Board agrees that trucks should be using this route. Bob will contact Penndot to get this issue resolved.

Terry Ruby, a Senior Planner for the York County Planning Commission did a presentation on the water issues in York County. The County is considering forming a Stormwater Authority. Bob is concerned that small Townships are on tight budgets and cannot afford this. Terry said it has not been determined how this will be funded.

Bob reported that a representative from Road Hog is coming down for a day or two when the men start grinding the roads. Bob also reported that the paving should start the beginning of July.

The meeting adjourned at 8:15 P.M.

Respectfully submitted,

April K Rehbein
