Lamar Glatfelter announced that the Board is going to reject all bids for the trash collection. There was an error in the bid documents. The error will be corrected and the bids will be re-advertised. Lamar asked Ed Ward if Penn Waste is willing to give the Township an extension till March 31, 2017. John Esh called the office with questions on a community cemetery. This issue needs to be addressed by the Planning Commission.

Bob gave the roadmaster report. Bob reported that Leo Sterner & Rodney Krebs have been here twice to learn about the truck and the snow plowing routes. Bob brought up the issue with plow trucks going on certain dirt roads. The Board decided that Bob can make a decision as to whether the roads can be plowed with the trucks or grader. In the case of ice the dirt roads will need to be cindered using the dump trucks. Bob also discussed road work he would propose for 2017. He would like to grind up Buffalo Valley Rd from Greenmount Church Rd. to Shaffers Church Rd. and then pave. He would also like to pave the dirt part of Sunny Slope Rd. He will be applying for a dirt road grant for Roser Rd. He will be talking to the home owner on Zeigler Road that has the water problem and try to reach a solution for this problem.

The bills were presented to the Board. Bob made a motion to pay the bills, seconded by Charlie. The motion carried. Vote 3-0.

The meeting adjourned at 8:15 P.M.

Respectfully submitted,

April K Rehbein
