

February 4, 2016

The Codorus Township Board of Supervisors met on February 4, 2016 at 7:30 P.M. Board members present were: Lamar Glatfelter, Bob Gladfelter and Charlie Van Scoyoc. Other present were: April Rehbein, Dave Rehbein, Kevin Ferguson, Sam Bolton, Steve & Carolyn Bupp and Brian Kaltreider.

The meeting opened with the pledge to the flag.

The minutes were approved as written.

Kevin Ferguson would like the Township to have a survey done of Brush Valley Road to determine the Township right-of-way. His neighbor continues to park her car on the right-of-way and is placing trash cans on the right-of-way blocking him from getting out of his driveway with his truck and trailer. Bob spoke to Jeff Shue regarding this and Jeff stated that he never heard of this being done. The cost involved would be approximately \$2,000 - \$3,000. Bob will talk to the State Police and see what can be done. Kevin stated that it has been 4 years and his neighbor still will not listen to the Township. Lamar asked if Kevin could widen his driveway. Karen Ward is willing to help him with an E&S plan. Kevin said a driveway permit was issued to him 4 years ago and when his neighbor complained and called the conservation district he was shut down. Bob will contact Mrs. Brown and tell her to remove her trash cans. Bob will also set up a meeting with the State Police.

The License for Fireworks Extravagancy was presented to the Board. All the paper work and insurance papers were presented. The Board signed the permit.

Bob Gladfelter met with Jeff Shue and two representatives from the County Parks. The County owns a portion of land on S.R. 616 next to Mr. Hoffmeister. The county would like to get approval to swap land with Mr. Hoffmeister in order to get a better location for their proposed parking lot. The land they would like is in Shrewsbury Township so Jeff Shue will take this matter to Shrewsbury.

Jeff Shue also talked to Bob about the Powers Home Preliminary plan. Jeff explained that the plan was given conditional approval but those conditions have not been met. Jeff suggested that he and Attorney Herrold draft letter to Powers Homes giving them a deadline to meet those outstanding conditions.

Bob reported that he is filing a grant application for Ridge Road. The cutoff date for the grant is February 26, 2016. Bob also reported that the only issues from the blizzard were the alternator in the grader went up and the rear axle seal blew in the Ford dump truck.

The bills were presented to the Board.

The meeting adjourned at 8:20 P.M.

Respectfully submitted,

April K Rehbein
Secretary
