The Board of Supervisors of Codorus Township held their regular meeting at 9:00 A.M., October 6, 1973 in the Township Building. Present were: Ralph Gladfelter, George Smith, and Goldie Day. Also present were Alvin K. Spiese, Gordon Snyder, Leroy Thomas, Curt Uhre, Martin Hamberger, Mrs. Ford, David Clements, James Trostell, William Baughman and Ronald Rubb.

A hearing is scheduled for Tuesday evening, Oct. 9 for Woodrow Rohrbach. Mr. Spiese asked the Board members to be present at this hearing.

Lamar Markle has cleaned up his Junk Yard. Monroe Gardner has sent a check for 1973 ^{license} but still owes for 1972 license fee. The Supervisors will talk to Mr. Gardner about moving cars back from the road and the secretary was instructed to send him a letter requesting the \$100. for 1972 license before a license will be issued for 1973.

Curtin Snyder has cleaned up; Mr. Wilson has cleaned up; Dervey Rinfis is cleaning up; Peter Bury has been contacted and warned to clean up; John Brodbeck will be contacted and asked to clean up; Mr. Haugh has been warned.

George Smith made a motion that the Board have the Solicitor write up an ordinance for adoption which will give the Township the power to have one or

more junked cars or cars without valid inspection stickers and registration plates removed from their owner's premises. This ordinance would be in addition to the Township's Junk yard Ordinance. Ralph Gladfelter made a second to this motion.

The Board approved and signed a final sub-division plan for Mr. & Mrs. Leroy Thoman. This lot is along Catholic Valley Road.

William Baughman, representing Harold Montgomery & others, presented a preliminary plan for 6 lots along Hill-n-Dale Road. He paid the \$10.00 preliminary fee. Also, Mr. Baughman asked if the Board would authorize the secretary to send a letter "to whom it may concern" stating that Hill-n-Dale Road is and will continue to be a Township road maintained by the Township. Ralph Gladfelter made a motion that this request be granted, seconded by George Smith.

Mrs. Ford, Mr. Uhre, and Mr. Hamburger, all residents along Fair Road, expressed their concern as to what effect the hardening of Fair Road would have on their springs. Mr. Uhre also wanted to know who would be responsible for his fencing if it had to be removed when the road is widened. The Board advised them that the Township takes the fencing down and places it in a protective position, but it is up to the property owner to put the fence back. The Board also advised them that the Township has not decided ~~on~~ which roads are

to be improved in 1974. The group also expressed their feelings as to the practicality of hardening this road since it runs parallel to Rt. 216.

Mrs. Clayton Beaverson and Mrs. George Markle from North Codorus Township attended the meeting to ask the Codorus Township Supervisors to meet with Supervisors of adjoining & nearby townships at a meeting to be set up the week of the 20th of this month. This meeting will concern the Land Spray Study completed by the Corps of Army Engineers for York County.

Mr. Donald Bankert asked the Board to consider improving the Jefferson Sportsman's Club Road. He was also advised that the Board has not decided on the improvements to be made in 1974.

George Smith made a motion for the Secretary to send a letter to Horace D. Barker, asking him to send a Certification as to the size of the septic tank and drain fields he had installed for his new home, and to also warn him that whoever makes this Certification will be responsible for any damages should any problems arise in the future due to his septic system. Ralph Gladfelter seconded this motion.

The minutes were read at this time and stand approved.

The bills were presented to the Board.
