Brookside, Pa.

The Board of Supervisors of Codorus Township met at 9:00 A.M. August 3, 1974 in the Township Building for their regularly scheduled meeting. Present were members of the Board: Paul Dehoff, George Smith, Leroy Thoman and Secretary, Goldie Day. Also present were: Charles Myers, Mrs. Roy Smith, Martin A. Stough, Harriet Belt, Gurney Snyder, Peter Bury and Mrs. Gordon Custer, Charles Cunningham. The meeting was opened by the Chairman, George P. Smith.

Charles Myers presented for the first time a final 2-lot sub-division plan for the Earl P. Fair property. This plan seems to be complete and Mr. Myers was told to present the plan to the Township Planning Commission at the next meeting.

Mrs. Roy Smith presented a final 2-lot sub-division plan of their property. Paul Dehoff made a motion to approve this plan, seconded by George Smith. The motion passed and the plan was signed by the Board members.

Martin A. Stough presented a new 2-lot sub-division plan. The Board looked at the plan and told Mr. Stough that the plan seemed complete and to present it at the next Township Planning Commission meeting.

Gurney Snyder presented for the first time a 2-lot sub-division of his property along Myers Road. The Board looked at the plan, and since it seems complete, he was also asked to present the plan to the Township Planning Commission.

Mrs. Harriet Belt presented a 6-lot final sub-division plan of the Donald Bankert property (Ranchos-Estates). The plan

was reviewed by the Board and Mrs. Belt was advised to present the Plan to the Township Planning Commission.

Peter Bury asked the Board to grade the road serving his property and also wanted to know if the Township equipment is available for use on private property. The Board advised him that in the past, when the equipment was not in use on Township work, private work had been done for a charge.

Mrs. Gordon Custer related the problems they are having in reaching their property, and asked if the Supervisors would open the road enough for them to get in and out of their property. She also said they have a problem of littering. The Board promised to work on the road past her property in a week or so.

Mr. Charles Cunningham again asked the Board about adopting the private road passing his property. The Board will again look into this and contact Clark Hess from the State office to inspect this road with the Board. In order for the Township to take over this Road, the Township would need State approval.

A final 2-lot sub-division plan of Earl P. Fair to Reginald Greenplate was presented. Leroy Thoman made a motion to approve this plan, seconded by Paul Deloff. The motion passed and the Board signed the plan.

Mr. Edward Ruth asked for approval of a parcel of ground containing 1 acre to be deed to another party. This lot was surveyed in 1971 but a separate deed was not written. The Board asked Mr. Ruth to see Mr. Gordon Snyder.

Mr. Snyder called the Board and by mutual agreement Mr. Ruth was told to have his attorney make the transaction without a sub-division plan. Paul Dehoff made a motion to approve Mr. Ruth's lot ~~for~~ without a sub-division plan, seconded by George Smith. This motion passed.

The bills were presented to the Board. Paul Dehoff made a motion to approve the bills for payment, seconded by George Smith. This motion passed.

Leroy Thoman made a motion to cash the 2 Certificates of Deposit which come due this month and deposit the money in the respective checking accounts. One certificate purchased with State monies is \$10,000 and will be due August 8. The Revenue Sharing Certificate for \$9,000. will mature on August 5. George Smith seconded this motion.
