Ray Gladfelter told the Board he is concerned about the rate of speed of traffic in the vicinity of his store and the Glen Brine-In. He would like to have speed limit signs posted in this area of Rt. 216 before an accident happens. He had contacted the State Highway Dept. and was told that the Board of Supervisors would have to make application for the speed limit change. The Board will talk to the Pennsylvania Dept. of Highways and Mr. Gladfelter will also call Rep. Carlisle Foster on this matter.

Mr. Peter Bury wondered what could be done about the bridge on Tannery Road which is dangerous for the school bus that must use it. He was told that a new bridge has been approved and the work will soon begin. He also asked that his road be worked on.

The bills were presented to the Board.

The minutes were read and approved on a motion by Paul Rehoff, seconded by Leroy Thoman.
