Mr. & Mrs. Elwood Baron said

they had a separate 2-acre lot on a separate deed from their farm and wanted to know if they could sell this lot without a plan. They were told by the Board that they could sell this property as a whole without a plan since it was on a separate deed from their other property.

Clark Thomas brought percolation tests results in for the lot on which he wishes to build. He was advised to have a plan drawn up before any transfer of property can be made, but he can go ahead and get a building permit and start to build since the home will be his until a transfer takes place.

Leroy Thoman made a motion to Cancel Charles Wehrly's hospital and disability insurance, seconded by Paul Dehoff.

The bills were presented to the Board.

Leroy Thoman made a motion to pay the bills, seconded by George Smith.

The secretary was instructed to have 500 Building Permits printed by Calhoun Printing Co. and to find out later if the Building Permit Application Forms need to be changed before ordering these.
