George Smith asked the Board how long he will be able to continue working for the Township after he moves from the Township.

Paul Dehoff and Leroy Thoman told George they regret he is moving from the Township and they feel it would not be right to have him working for the Township since there may be Township residents who would be available for work. Also, there have already been inquiries to Mr. Dehoff and Mr. Thoman as to whether or not Mr. Smith will be doing Township work after moving from the district.
