Joel Sechrist, Phyllis Zeller, Larry Winemiller, James Progan, Richard Myers, Georgia Bathon, Robert Meadowcroft & Terry Warner & Naplon Stambaugh.

The meeting was opened by the Chairman, Charles Wehly. James Progan, Jr. asked what steps he should take in order to hold future blue grass concerts on the Haugh property. He said he feels they were railroaded because of the publicity about the one planned for Springfield Township. The recent concert was attended by 168 persons, according to Mr. Progan with ample parking, rest rooms, 2 security men & refreshments. Mr. Progan also passed out several pictures of the event for the Board to look at. The Board advised Mr. Progan and Mr. Winemiller that this type of gathering was not a permitted use in an agricultural district and to apply for a <sup>special exception</sup> ~~variance~~ hearing through Irvin Rappoldt, the zoning officer.

Mr. Richard Myers reported that Edward Inners, Jr. has some carnival equipment on his property again. Attorney Sechrist will check into what action has been taken by the solicitor. Nevin Trout & Court action may be necessary.

Georgia Bathon presented deeds of dedication for the three (3) Cul-de-sacs in the Chestnut Ridge development. Paul Rehoff made a motion to adopt the deed of dedication.

for Court A, Section B of Chestnut Ridge, with John J. Raupauer as Grantor, seconded by Leroy Thoman. The motion passed. This Cul-de-sac is .06 mile.

Georgia Bathon presented a 2-lot sub-division plan of Mrs. Ellen A. Boase with building lot approval requested for lot #2. She was advised to present the plan to the Codorus Township Planning Commission.

Robert Meadowcroft wants to put a mobile home on his property which is 1/2 mile off Gordon Road. The Board feels that this would bring to three the number of homes along a private road and would violate section 614 of the zoning ordinance. The mobile home would be used by a non-relative of Mr. Meadowcroft. He was advised to attend the next meeting of the Township Planning Commission to get their comments and recommendations on this matter.

Jerry Warner presented the Jerry Warner/Bernard Blinks sub-division plan which had been approved and signed by the Planning Commission. Paul Kiehoff made a motion to approve the plan, seconded by Leroy Thoman. The motion passed and the plan was signed.
