

The Codorus Township Board of Supervisors met in regular session on November 9, 1977 at 7:30 P.M. in the Township Building. Present were Board members, Paul Dehoff, Charles Wehly and Leroy Thoman; atty. Joel Sechiest, John Swonger, Jr., Mrs. Crouse, Roy Gladfelter and Mr. & Mrs. William Hoffacker and William Thoman.

Charles Wehly, the Chairman called the meeting to order.

John Swonger, Jr. presented the final subdivision plan of Columbus Swonger. Leroy Thoman made a motion to approve the plan, seconded by Paul Dehoff. The motion passed and the plan was signed.

Roy Gladfelter presented the 2-lot subdivision plan of his property. Charles Wehly made a motion to approve the plan seconded by Paul Dehoff. The motion passed and the plan was signed.

Mrs. Crouse asked if the 4 acre Walter Seitz property along Trump Road could be subdivided for two homes. She was shown the zoning ordinance with the allotment scale, and told that anything under 7 acres could not be divided; and that only one residence would be allowed on this property.

Mr. & Mrs. Wm. Hoffacker were present, asking if an ordinance was being prepared to regulate musical festivals in the Township. Atty. Sechiest will check with Solicitor Trout concerning this. Mr. & Mrs. Hoffacker also asked about a Court injunction against this and Atty. Sechiest stated that a Court injunction is not easily gotten from the Courts. Mr. Hoffacker asked if he could write up an ordinance without the solicitor and was told that, yes, anyone could write an ordinance but it would have to be approved by the Board.

William Thoman reported that the bridge to his property had been broken by a garbage truck and wanted to know if the Supervisors could provide help in fixing the bridge. Atty. Sechiest advised the Board that work on private property could not be done due to insurance, etc. The Board advised Mr. Thoman to hire a private contractor to do the work.

Irvin Rappoldt asked if Mrs. Vera Miller would be allowed to place another mobile home on her mobile home park on Shaffer's Church Road. The Board advised him that she could, provided this is a space that had been previously approved.

The Board talked about work on the new office and will have the engineering check out the State requirements.

A letter from Gov. Keenore was read regarding the Edwards, Jr. sewage ordinance violation. Atty. Sechiest stated that if Mahlon Stambaugh, sewage enforcement officer, wants to prosecute, the first step would be to file action before the local Justice of the Peace against Mr. & Mrs. Lee.
