A public meeting was held at Friendship Elementary School by the Codorus Township Supervisors on September 21, 1977 at 7:30 P.M. The meeting was duly advertised for the purpose of public interest on the proposed amendments to the Codorus Township Zoning Ordinance and Subdivision and Land Development Ordinance. Charles Wehly called the meeting to order, and asked Atty. Gilbert Malone & Atty. Trout to take over. Solicitor Malone went through the proposed amendment changes & then asked for comments & questions.

Roy Gladfelter asked about the 65 ft. set back. Atty. Malone told him this 65 set back from the center of the road would apply to all buildings.

Robert Roberts commented that it's a good idea to go through the Zoning Hearing Board for a home occupation permit.

Roy Gladfelter asked about changing from one non-conforming use to another non-conforming use and was told by Atty. Malone that this change would be regulated.

Walter Smith asked if anything is being done to regulate blue grass festivals in the Township and was told that the amendments proposed do not direct themselves to blue grass festivals.

Charles Wehly adjourned the meeting at 8:40 P.M.

Respectfully submitted,
Goldie Day, Secretary
