The Codomo Township Board of Supervisors met in regular session May 4, 1978 at 7:30 PM in the Township Building. Present were Board members: Charles Wehly, Larry Luckenbaugh and Leroy Thomas. Also present were Bryan Sellers, Mr. Charles Funkhouser, Marilyn Hodson, Irvin Rappoldt, a York Dispatch reporter and Mr. & Mrs. Clayton Swanson.

Charles Wehly, Chairman, called the meeting to order. Bryan Sellers of the Glen Rock Ambulance Club thanked the Board for the \$500 donation from the Revenue Sharing Fund and reported that this money would be used toward a new chassis for the present ambulance. He also invited the Board members to inspect the ambulance and reported on life-saving programs that are being planned by the Club.

Mr. Charles Funkhouser, a resident along Hill Climb Road reported on the gutter in front of his property. This gutter is a hazard and Mr. Funkhouser feels that a serious accident could happen here if something isn't done to correct the drainage and gutter. The Board discussed what could be done to remedy this hazard. Since the Township Engineer had looked at the problem and reported that the affected property owners should blacktop their driveways to prevent the gravel from washing into the gutter. Mr. Funkhouser reported he cannot blacktop his driveway but plans to build a garage and change his driveway to the opposite side of the property and will blacktop the new driveway later. The Board discussed what would be the best way to correct this problem and decided on installing a concrete wall. Mr. Funkhouser agreed to get the fill ground needed.
