The Chairman, Charles Wehly called the meeting to order and since the proposed use hearing for 1979 Revenue Sharing Funds had been advertised for this meeting at 7:30 P.M. the Chairman asked if anyone had oral or written comments. No one was present for the hearing and no written comments had been received. The legal ad for this meeting appeared in the York Daily Record on September 30.

Maplon Stambaugh reported on a letter he had received from Magistrate Klindinst on the Edward Lee Case. Atty. Sechrist will call Mrs. Klindinst concerning the fines and Mr. Stambaugh was told that he may file a new complaint every day as long as the violation persists.

Solicitor Sechrist will send a letter to Mr. William Hoover, Arthur Hoover and Raymond Rodgers, asking them to comply with the Zoning & Subdivision Ordinances.

Irwin Rappoldt gave the September building permit report. He also said he had been in touch with Randy Nafe at Brodheads. Mr. Nafe says he fixes cars occasionally at the site in question. Nothing definitely was decided on this matter.

Mr. Rappoldt also had questions concerning the former Glenville School property being used for some apt. buildings. There was also a question about the width of the road leading from Route 216 to the property, and was told that the road falls short of Township road requirements since it's only 18 ft. wide. The Board told Mr. Rappoldt that it would recommend the Zoning Hearing Board approve this property for apartments.
