

November 1, 1979

The Codorus Township Board of Supervisors met in regular session November 1, 1979 at 7:30 P.M. in the Township Building. Present were Board members: Leroy Thoman, Larry Luckenbaugh and Charles Wehrly. Others present were: Mr. & Mrs. M.G. Jones, Jean Bauman, Librarian, Glen Rock Public Library, Paul Solomon and Marilyn Goodson.

The Proposed Use Hearing for General Revenue Sharing Funds for the Year 1980 had been advertised for this meeting. The Chairman, Charles Wehrly, opened the meeting by asking for comments on proposed uses for the Revenue Sharing Monies to be received in 1980 plus the unappropriated balance in the fund as of December 31, 1979.

Mr. & Mrs. Gerry Jones stated that they would like for the Township to again contribute to the Glen Rock Public Library and to increase the contribution if possible since the Township's estimated General Revenue Sharing monies for 1980 has increased.

Mrs. Jean Baumann expressed thanks to the Board for past donations to the Glen Rock Public Library and stated that around 20% of the persons using the Library are from Codorus Township. She also reported on the operating costs for the library and the source of funds.

Mr. Paul Solomon reported that he also feels the contribution to the Glen Rock Public Library should be increased and also that the Township should look into the acquisition of a recreation area for the Township. Marilyn Goodson also stated she felt the Board should purchase some land for future recreational use. Larry Luckenbaugh, Board Member, stated he feels the ideal solution for recreation in the Township would be a joint venture with the Southern York County School District by utilizing the school property at Friendship School. The consensus of the Board is that this possibility should be looked into.

Paul Solomon reported that due to his making application for a building permit for two loafing sheds, the County Assessor had reassessed and more than doubled his assessment. He feels this is unfair unless all properties are reassessed. The Board stated that they would have no jurisdiction over the County assessment policies.

The bills were presented to the Board for payment.

Leroy Thoman made a motion to pay the bills, seconded by Larry Luckenbaugh. Motion passed.

Leroy Thoman made a motion to send a letter to the Springfield Township Board of Supervisors and the Southern York County Sewer Authority, stating that Codorus Township is opposed to the Spray Irrigation System for the Loganville-Springfield area as proposed. Charles Wehrly seconded this motion. The motion passed.

Charles Wehrly made a motion to pay Marilyn Goodson for two days attendance plus mileage allowance for the Tax Collectors Convention, seconded by Larry Luckenbaugh. The motion passed.

Charles Wehrly made a motion to adjourn at 10:30 P.M. seconded by Larry Luckenbaugh.

Respectfully submitted,
