

Sept. 12, 1979

109

The Codorus Township Board of Supervisors met in regular session at 7:30 P.M. September 12, 1979 in the Township Building. Present were Charles Wehly & Larry Luckenbaugh, Board members. Others present were Mr. & Mrs. Dieter, Larry Worley, Robert Wittman & son, Lyndon Riehl, Jr., Mrs. Topell & Mrs. Duschman. Charles Wehly, Chairman called the meeting to order.

Larry Worley presented the Robert E. Lovett 2-lot proposed sub-division plan. One acre is being subdivided for sale to Daniel Becker. Mr. Becker has leased this lot from the Lovett's for five years and has an existing septic system and mobile home on the property. The secretary has already sent the plan to the York County Planning Commission for review. When the Commission's comments are received the plan will be presented to the Codorus Township Planning Commission.

Larry Worley and Mr. Wittman then presented the two-lot sub-division plan of the former Robert Wittman property which has been sold to Frederick M. Nimes. Mr. Nimes proposes to subdivide 3 acres from this property where a mobile home now exists and keep the balance as agricultural land. The Board advised Mr. Worley, the engineer to state "no further subdivision on the plan and to show the location of the septic system. When this has been done, Mr. Worley will get a copy to the Township secretary to be submitted to the York County Planning Commission.

Lyndon Riehl, Jr. reported to the supervisors that he had slashed ^{his} tires while traveling Sundry Slope Road. A steel pipe was sticking out of the road. Charles Wehly stated that Murrel Shuman, a Township employee, graded the road after the flooding due to Hurricane Frederick, & had graded off a pipe, leaving a splice sticking up which Mr. Riehl ran off.

Larry Luckenbaugh made a motion that the Township replace the two tires from Goodyear Stores, seconded by Charles Wehly. The motion passed.

Mr. & Mrs. Dieter stated that there is excessive speeding in front of their property along Shaffer's Church Road and wanted to know if anything could be done such as reducing the speed limit or creating signs "Children at Play". The Board told them since this is a State Road, the Township would not be able to have the speed reduced and that they should report the speeding to the State Police.

Mrs. Duschman and Mrs. Topell reported that they had suffered loss due to their bridges being destroyed by Hurricane David and wanted to know if there was anything the Township could do to help them get low-interest rate loans from the Small Business Administration. Larry Luckenbaugh promised to contact the York County Commissioners on this.

Larry Luckenbaugh made a motion to send \$450⁰⁰ to the Borough of Glen Rock for re-imbursement of the Workmen's Compensation Insurance premium due to the Glen Rock Fire Co. providing protection to the Township. Charles Wehly seconded this move.

The secretary was instructed to send the budgeted donations to the fire companies which provide protection

in the Township: \$1000 to Glen Rock Fire Co.; \$1000 to Jefferson Volunteer Fire Co., \$400⁰⁰ to the Seven Valley Fire Co., and \$300⁰⁰ each to New Freedom & Lineboro Fire Companies.

The meeting adjourned at 9:30 Pm by motion of Charles Wehly and second by Larry Luckenbaugh.

Respectfully submitted,

Goldie Day, Secretary
