The meeting was opened by the Chairman, Charles Wehrly.

Minutes of the last meeting were distributed to the Board and stand approved as read.

The treasurer's report was accepted as given.

The Chairman asked for comments on proposed use of anticipated General Revenue Sharing Funds for 1981. Byran Sellers, representing the Glen Rock Ambulance Club and Glen Rock Hose & Ladder Company, thanked the Township for past contributions to the Ambulance Club and Fire Company. Equipment and training costs for the Ambulance Club is requiring large sums by the Ambulance Club and Mr. Sellers would appreciate any contributions that the Township could make to the Club and also to the Fire Company.

Ron Smith, representing the Seven Valleys Tri-Community Ambulance Club and Seven Valleys Fire Company, spoke on the needs of those two organizations for funds and would appreciate any contributions the Township could make for the year 1981.

Arthur Hufnagle and Jean Bauman represented the Glen Rock Public Library and also stressed the need for donations to the Library. Mrs. Bauman spoke on the cost of operating the Library and where the support comes from. The Library would also appreciate any consideration the Township makes toward a donation from 1981 Revenue Sharing Funds.

Three representatives were present from the New Freedom Rose Fire Company. They reported that the fire company needs to up date its equipment and will need about \$3000. for 3 inch hose and that a large room addition to the back of the fire house is anticipated. Any contribution from the Township would be appreciated.

A letter from Mrs. Sandra Fair of the Senior Citizens Club of Glen Rock was presented. She also thanked the Township for past contributions and outlined the services the Club provides Senior Citizens. The Club is also asking the Township to consider their organization when making contributions from the General Revenue Sharing Fund.

The Chairman, Charles Wehrly, told the above persons that as of this date, the status of General Revenue Sharing monies for 1981 is in limbo, but that the Township will consider their requests should the Revenue Sharing Program be passed by Congress.

Eight persons were present to ask that something be done to correct the condition of Nafe SawMill Road. They reported that the ruts are bad, the road has holes in it, the dust is very bad, and that loose stones are also a problem. The Board discussed the road conditions with Mr. Melvin Sechrist, Mr. & Mrs. Keith Nafe, Mr. & Mrs. Preston Amspacher, Mr. & Mrs. David Wagner and the mail carrier for the above, Bradley Burg. Mr. Burg has stated he will not deliver mail if the road is not improved.

The above residents also wanted to know if the Board had considered making this a hard road. The Board told them that this could not be done during 1981 since other improvements had first priority, but that the possibility would be considered for the future. Having other property owners sign off was also discussed, since it is felt that some of the property owners with lands through which the roads traverses may be unwilling to sign off. The Board will take a look at the road on Friday, November 9 to decide what can be done to correct the problem and will make every effort to do something about this condition. When asked by Mr. Sechrist about putting oil on the road to keep the dust down, the Board stated that if they did this for one resident, then other residents in the Township would also request this be done and this would be too expensive for the Township to do.

The bills were presented to the Board. The Department of Transportation is asking that the Act 57 funds received in 1978 be returned to the Department since the Township did not exceed by 25% maintenance costs for 1978 over the maintenance costs for 1977.

Larry Luckenbaugh made a motion to pay the bills, seconded by Charles Wehrly. This motion passed.

Leroy Thoman made a motion to retain the present tax structure for the year 1981; namely - \$5.00 per capita tax, 9 mills real estate tax, 1/2 of 1% earned income tax and 1/2 of 1% realty transfer tax. Charles Wehrly seconded this motion. This motion passed.

The meeting adjourned at 10:45 P.M. on motion of Charles Wehrly and second by Larry Luckenbaugh.

Respectfully submitted,
