

July 9, 1980

Mr. Campbell wanted to know if anyone from the Board had been out to view his property. Larry Luckenbaugh stated he had driven by the property once since the complaint made by Mr. & Mrs. Gorski.

Larry Luckenbaugh asked Mr. Campbell why he was not at the Supervisors Meeting on June 11. Mr. Campbell stated he works in Maryland and didn't get home until after seven o'clock that evening. Mr. Ronald Smith replied that he had called Leroy Thoman the day before the meeting to report that Mr. Campbell would not be able to attend.

Mr. Campbell stated he wanted to prove that the Gorskis are harrassing them and thinks it unnecessary for the Township to involve itself in a neighborhood dispute, and that he doesn't want any ordinance enacted to pertain to him only. Larry Luckenbaugh stated this was a valid point and that he would like for this problem to be talked over with the Planning Commission Solicitor.

Ronald Smith reported that Mr. Campbell takes great pains to burn the trimmings. Mrs. Smith stated that this is only a personal vendetta between the Gorskis and the neighbors in the area and that they themselves have had to go to court over a problem with the Gorskis.

Mrs. Campbell stated they had not had any burnings since the complaint made by Mrs. Gorski to the Planning Commission in December of 1975 until a few weeks ago. Mrs. Campbell also stated that the firemen take very great pains to have a clean burning and that no ashes or debris settles on the adjoining properties. Mrs. Walter Borry, a close neighbor of the Campbells stated that there were no ashes or debris on their property from the burnings. Also, Mrs. Forence I. Warner stated she lives very near the Campbells and that there was no dirt from ashes at their residence.

The following neighbors were present in support of the Campbells: Mr. & Mrs. Ronald Smith, Mr. & Mrs. Walter Forry, Jr., Mrs. Florence Warner, Mr. Jake Sterner, Mr. & Mrs. Wayne Bricker and Charles Witmer. When asked by the Board if they objected to the burning at the Campbell property, all answered that they do not object.

Leroy Thoman stated he objects to open burning only if items being burned are brought in from outside the Township. He thinks the Township should have some type of ordinance to control this, but he doesn't want to cause a hardship on Township residents by not allowing open burning. Charles Wehrly stated the Township burns trees with tires and that he is against a burning ordinance. Mr. Wehrly and Mr. Thoman replied that they had placed a cut tree on the debris that Mr. Campbell had, when asked by one of the Campbell neighbors.

The Board asked that Mr. & Mrs. Campbell and Mr. & Mrs. Gorski attend the July 31, 1980 meeting of the Township Planning Commission and the Board of Supervisors to try and resolve this matter. Ronald Smith asked if Mr. Campbell's neighbors should attend the meeting and Larry Luckenbaugh replied that they would not need to. Mr. Smith stated that he wants to come to the meeting to present his side. All those present were advised that this will be an open meeting and anyone may attend.

Mr. Campbell said he feels the Board is making this a personal thing and that if a vote is taken on this matter, he requests that any Supervisor with personal feelings refrain from voting.

Mrs. Laurie Lears had a petition to present to the Board to reduce the speed along Bonnair Road. Larry Luckenbaugh will talk to Mr. Bubb, County Traffic Engineer to see what can be done.

July 9, 1980

Larry Luckenbaugh made a motion for the secretary to write a letter to the Southern York County School District, opposing the ruling that taxes not received by due date be returned even though the post mark was within the due period, seconded by Leroy Thoman. This motion passed.

Irvin Rappoldt gave the building report for the month of June. Roger Thoman has agreed to apply for a zoning hearing regarding the garage he is building providing the Board agrees. The Board of Supervisors will advise the Zoning Hearing Board that it would favor the granting of the variance to Mr. Thoman.

Mr. Rappoldt also reported that Cora Miller has been in touch with him, stating she may have a buyer for her mobile home park at the end of Shaffer's Church Road. She wanted to know if the new owner would still be able to operate the park. Since this was in operation before Zoning the Board felt that as long as more mobile homes were not moved in, a new owner would be allowed to operate the park the same as it is being operated now.

The bills were presented to the Board. Charles Wehrly made a motion to pay the bills, seconded by Larry Luckenbaugh. This motion passed.

The meeting adjourned at 10:00 P.M. on motion by Leroy Thoman and second by Charles Wehrly.

Respectfully submitted,  
*Goldie Day*  
Goldie Day, Secretary
