

September 4, 1980

The Codorus Township Board of Supervisors met in regular session September 4, 1980 at 7:30 P.M. in the Township Office. Present were Board Members: Charles Wehrly, Larry Luckenbaugh and Leroy Thoman. Also present were James Bailey, Tom Smith of Sacra Engineering, and Marilyn Goodson.

The Chairman, Charles Wehrly, called the meeting to order by a reading of the minutes which stand approved. The treasurer's report was accepted as given.

James Bailey reported that he has heard complaints concerning his new chicken house which is under construction. The Board stated that the only complaint they had received was from a resident from Manheim Township, complaining that he feared the water run-off at the site of the new building. Mr. Bailey stated he had representatives from the Soil Conservation office down to check the site and they noted they were very well pleased with the building and that everything looked good. The building in question is a contained building and there should not be any waste from the chicken house into the water run-off. Also the Soil Conservation office is advising Mr. Bailey as the building is erected.

The Board told Mr. Bailey they are not going to do anything about the complaint they have received.

Marilyn Goodson gave the tax report for the month of August.

Charles Wehrly made a motion to send a letter to Mr. Edward Simmons, Regional Solid Waste Coordinator for DER, stating that Codorus Township is opposed to the industrial waste site permit granted to Stabatrol and also requests that the permit application for an industrial waste site by Liqwacon in North Codorus Township be refused. Larry Luckenbaugh seconded this motion. The motion passed.

Larry Luckenbaugh made a motion to inform the Township Zoning Hearing Board that the Codorus Township Supervisors are in favor of the granting of a variance to Rodger Thoman, seconded by Leroy Thoman. This motion passed.

The bills were presented to the Board. Leroy Thoman made a motion to pay the bills, seconded by Larry Luckenbaugh. This motion passed.

Clayton Beaverson, Supervisor of North Codorus Township, arrived at the meeting and gave an update of the Stabatrol and Liqwacon permit applications for industrial waste sites in North Codorus Township.

The meeting adjourned at 10:45 P.M. on motion by Charles Wehrly and second by Leroy Thoman.

Respectfully submitted,

Goldie N. Day
