

November 4, 1981

The Codorus Township Board of Supervisors met in regular session on November 4, 1981 at 7:30P.M. in the Township office. Board Members present were: Charles Wehrly, Larry Luckenbaugh and Leroy Thoman. Others present were: James Troxell, Gary Hoke, Gerry Jones, Mrs. Jean Bauman, Arthur Hufnagle, Lindy Ampsacher, Mike Hunt, and Ronald Smith.

The Chairman, Charles Wehrly, called the meeting to order. The minutes were distributed and approved as read.

The treasurer's report was accepted as given.

The chairman called for comments from those present for the proposed use hearing for general revenue sharing monies.

Mrs. Bauman, librarian, from the Glen Rock Public Library, reported that 24% of the registrations at the library are from Codorus Township. She also reported on the services the library provides, and asked that the Board consider helping the library again, since donations are desperately needed. Mr. Hufnagle and Gerry Jones were also present to ask that the Board consider a 1982 donation to the Glen Rock Public Library.

Jim Troxell and Gary Hoke were present to ask if there was anything the Board could do to provide a parking area for residents that car pool and work in Maryland. Until recently, these commuters have been parking near Sticks at the Beaverson property. This parking has been stopped and Mr. Troxell says he feels that with residents working in Maryland for their incomes which indirectly brings taxes into the township fund, the Board should consider finding a place for twelve to fifteen cars to park. Several alternatives were considered, but nothing decided.

Mr. Lindy Ampsacher and Mike Hunt were present to ask that the Board again consider a donation to the Rose Fire Company at New Freedom. They reported that about 85% of the calls at the New Freedom Fire Company are for places outside the Borough, and that items for the fire company must be purchased for use in rural areas.

Ron Smith said he represented the Tri-Community Ambulance Club and also the Seven Valleys Fire Company. The borough is buying a new ambulance and would like a donation for the ambulance club, plus a donation to the Fire Company.

Mr. James Troxell spoke on the SOYOCO Boys Club and asked if the Board would consider a donation to the this organization which includes many boys from Codorus Township which are in sports and also girls in different sports programs.

One written request was received by the Board for use of Revenue Sharing Monies. Mr. Malcolm G. Wentworth asked that a portion of the Township's Revenue Sharing Monies for 1982 be used to improve Trump Road. He stated the dust problem along this road, and made several suggestions as to what could be done to alleviate this problem.

The Board told the above parties that their requests will be taken into consideration when the 1982 budget is prepared.

The bills were presented to the Board. Larry Luckenbaugh made a motion to pay the bills, seconded by Charles Wehrly. This motion passed.

Larry Luckenbaugh made a motion to set the Tax Collector's Bond at \$50,000 for 1982, seconded by Leroy Thoman. This motion passed. This motion also stipulated that the bond be increased by \$2,000 each year for the four term.

Leroy Thoman made a motion to appoint Mrs. Cynthia Gray to serve as auditor, seconded by Larry Luckenbaugh. This motion passed. There was no candidate for this position on the ballot. Mr. Alton K. Krebs, the outgoing auditor stated he did not wish to take the position again.

The Board had a discussion with Leonard Leiphart of Worley Equipment concerning the purchase of a new grader. Larry Luckenbaugh stated he feels the old grader should last for several more years and that he would not go along with the purchase of a new one. Leroy Thoman stated the old grader needs extensive repairs which he feels are not justified and that the township should buy a new one. He feels that within a few years, the Township will have all old equipment that will need replacement, and that now would be the time to start replacing some of the old equipment.

The Board set November 9 at 7:30 P.M. to work on the budget for 1982.

Charles Wehrly made a motion to retain the present tax structure for the year 1982.... 9 mills real estate, \$5.00 per capita tax, 1/2 of 1% earned income tax and 1/2 of 1% realty transfer tax. Leroy Thoman seconded this motion. The motion passed.

The meeting adjourned at 10:00 P.M. on motion by Larry Luckenbaugh and second by Leroy Thoman.

Respectfully submitted,
