

August 6, 1981

The Board of Supervisors of Codorus Township met in regular session on August 6, 1981 at 7:30 P.M. in the township office. Board members present were: Charles Wehrly, Larry Luckenbaugh and Leroy Thoman. Others present were: Leland Snyder, Marilyn Goodson and a York Dispatch reporter.

The Chairman, Charles Wehrly, called the meeting to order.

Copies of the minutes were distributed to the Board members and approved as read.

The treasurers report was accepted as given.

Leland Snyder reported on the last meeting of the York County Earned Income Tax Bureau. The Bureau has hired C. Ray Fox as administrator to replace Mr. Warfel. Mr. Fox has worked for the York Dispatch Publishing Co. for years and seems well qualified to handle the position. The starting annual salary for Mr. Fox was set at \$32,500. Mr. Warfel was drawing a salary of \$37,500 at the time of his dismissal.

The Bureau has brought up the possibility of funding Mr. Warfel's retirement pension for two years and Mr. Snyder wanted to know how the Board feels about this. After some discussion, it was the consensus of the Board that the Bureau should not fund this pension; that Mr. Warfel should be responsible for this if he wants his pension fund paid up to his retirement age.

Mr. Snyder also reported that Mrs. Farley, the assistant administrator of the Bureau had resigned at the last meeting and that someone would be needed for her replacement.

A simple investment plan by Farmers Bank and Trust Company of Hanover was explained to the Board by Mr. Leland Snyder. The plan is entitled "Public Funds Investment Plan". Under this plan the Township would be putting all monies in interest bearing checking accounts with all available funds invested daily in repurchase agreements. This plan would eliminate the need for checking and savings accounts for each fund and the present system of withdrawing funds from the savings accounts to buy certificates of deposits. The Board will take this proposal under consideration and notify the Farmers Bank and Trust Company if interested.

Marilyn Goodson gave the report of taxes collected for the month of July.

Leroy Thoman made a motion to enter the 1981-1982 Municipal Traffic Service Agreement Program with the State, seconded by Larry Luckenbaugh. This motion passed. Under this agreement, the State would pay the Township \$6,349.00 for snow and ice removal on 14.82 miles of State Roads from November 1, 1981 through April 15, 1982.

The bills were presented to the Board. Larry Luckenbaugh made a motion to pay the bills, seconded by Charles Wehrly. This motion passed.

The meeting adjourned at 10:20 P.M. on motion of Larry Luckenbaugh and second by Leroy Thoman.

Respectfully submitted,
