

June 13, 1984

The Codorus Township Board of Supervisors met in regular session on June 13, 1984 at 7:30 P.M. in the Township Office. Board members present were: Leroy Thoman, Larry Luckenbaugh and Charles Wehrly. Others present were: Richard Stenner, Maggie Lentz, Mahlon Stambaugh and Irvin Rappoldt.

The Chairman, Charles Wehrly, called the meeting to order.

The minutes were read and approved. The treasurer's report was presented to the board.

Richard Stenner and Maggie Lentz were present to talk with the solicitor concerning an agreement to abandon the frame dwelling on the Landis property in Glenville. Since the solicitor was not in attendance, Mr. Stenner and Ms. Lentz were advised to call him and give him the necessary information for preparing the agreement.

Mahlon Stambaugh reported that Haynes Treadway has a septic system problem. The system needs repairs, but there is not enough room on the property to correct the system and still stay 100 feet from the well. Mr. Stambaugh will check with the State Department of Environmental Resources to see if it would be possible to repair the system without abiding by the distance from the well requirements. If DER approves this, the Board discussed having Mr. Treadway sign an agreement, stating he would not hold the Township responsible if there should be a problem with the water becoming contaminated from the septic system. The Board also discussed the possibility of Mr. Treadway purchasing some land from the adjoining owner to have enough property to locate the septic system the required distance from the well.

The bills were presented to the Board. Charles Wehrly made a motion to pay bills from the General Fund totaling \$2,100.05, checks #1018 through 1023. Larry Luckenbaugh second this motion. This motion passed.

Leroy Thoman made a motion to pay bills from the State Liquid Fuels Tax Fund in the amount of \$10,376.41, using checks #136 through 138. Larry Luckenbaugh seconded this motion. The motion passed.

The meeting adjourned at 9:45 P.M. on motion of Larry Luckenbaugh and second by Leroy Thoman.

Respectfully submitted,
