

January 11, 1984

The Codorus Township Board of Supervisors met in regular session on January 11, 1984 at 7:30 P.M. in the Township Office. Board members present were: Charles Wehrly, Larry Luckenbaugh and Leroy Thoman. Others present were: Mr. & Mrs. Cliff Disharoon, Doris Rill and Irvin Rappoldt.

The Chairman, Charles Wehrly, opened the meeting.

The minutes were approved as read.

The treasurer's reports for the month of December, 1983 and for the year 1983 were given to the Board.

Peggy Disharoon was present with the J. Howard Ingham plan, but the Board took no action, advising Mrs. Disharoon that she must first present the plan to the Township Planning Commission.

Mrs. Disharoon also wanted to know how many dwellings would be allowed on the Curtis Uhre farm which contains approximately 50 acres and is located along Fair School Road. She was told that two lots are allowed in addition to the existing residence. Mrs. Disharoon will also bring this before the Township Planning Commission and will seek advice as to where to locate the two lots.

Cliff Disharoon asked about the Fowler farm which is partly in North Codorus Township and has land in Codorus Township which has no road frontage. Mr. Disharoon was told that building would not be allowed on this property since there is no road frontage or access to the property, but that it may be possible to sell the land to an adjoining property owner.

Larry Luckenbaugh made a motion to appoint Goldie Day as coordinator on the policy of non-discrimination on basis of handicapped status, seconded by Charles Wehrly. This motion passed. This appointment is necessary in order to comply with the non-discrimination requirement contained in Sec. 51.55 of the Federal Revenue Sharing regulations.

The bills were presented to the Board. Charles Wehrly made a motion to pay bills from the General Fund amounting to \$ \$2490.51, including checks numbered 839 through 856. Leroy Thoman seconded this motion. The motion passed.

The Secretary-Treasurer was authorized to withdraw monies from the three money market funds to purchase certificates of deposit which are now paying a higher interest rate than money market funds.

Doris Rill was present, asking if anything new had happened to the Bathon-Becker private road. Mrs. Rill was told that the Board is still awaiting the engineering work for the project.

The meeting adjourned at 8:45 P.M. on motion of Leroy Thoman and second by Larry Luckenbaugh.

Respectfully submitted,

Goldie Day
