

MINUTES OF THE CODORUS TOWNSHIP PLANNING COMMISSION

October 30, 1980

The monthly meeting of the Codorus Township Planning Commission was called to order by Chairman Donald Bollinger. Members present were Donald Bollinger, Leroy Thoman, Tom Moore, Richard Masimore, and Solicitor Malone. The minutes of the previous meeting were read and approved as corrected. The minutes of the Township Supervisors' meeting pertaining to land development and subdivision were reviewed.

There was no one present to have business with the Board at this meeting.

Leroy Thoman reported that AMP Inc. was pumping an orange liquid out of pits at the AMP plant at Brodbeck's. They are tearing the settling pits out and were burying the residue. D.E.R. was contacted to test the solution, and the contractor was told to hold up on the operation. The Supervisors are going to visit the site on October 31 in the morning and call D.E.R. to find out the results of the tests.

The next meeting of the Planning Commission will be held on the second Thursday in December due to Thanksgiving. This will be advertised in the newspaper.

Supervisor Larry Luckenbaugh came to the meeting to discuss the music program on the Tracy Swartz property. After discussing this, it was the opinion of the Board that a public meeting should be held with neighbors before granting a permit.

The meeting was adjourned on a motion made by Tom Moore and seconded by Richard Masimore.

Respectfully submitted,

Richard Masimore
Secretary
