Arthur Wochter ^{24 acres + 11 -} wants 3 lots. One would be 2.3 acres. The other 2 would divide 5 acres. will put 4th house at edge of woods east of main tract.

Previously the group had looked at putting and suggested one house on north side of road in addition to existing house and one house on south side of road with rest of 2 acres with balance on land there to be sold to Campbell or Reed if owner wanted to. Owner is not satisfied with that decision. Snyder favors Wochter's current proposal. Seem agrees. Moore & Dillinger are uncertain. Had to wait for Richard M.'s opinion.
