

June 25

The monthly meeting of the CTPC opened with the pledge to the flag.

Members present were Donald Ballinger Tom Moore Gilbert Malone Richard Masimore and Rick Seckrest.

James Bailey was appointed by the Supervisors to fill the vacancy on the board left by

Gordon Snyder who did not wish to serve any longer. Gordon stated that he did not wish to serve another term if they could find someone else for the position.

The minutes of the previous meeting were read & approved.

The minutes of the supervisors were reviewed individually.

The Gary Hower lat was inspected by members D. Ballinger, Masimore & Moore. The Catherine Keery site was inspected by Ballinger, Moore, Masimore and Seckrest.

Mrs Keery was present. The suggestion is that 2 lots be taken on the North side of the Jefferson water tank with the third lot along Highland Road across from Lester Miller and to the east of his property where the one field of the Keery property begins.

The board decided Hower could have his lot in the same general area if the South line is changed to allow straight through farming of long field.

A date is to be set for The Gordon Snyder retirement party or meal. A Sat in July was suggested.

The Graber property was discussed. It was sold in 1989 for \$100.00

The \$250.00 sewer permitt was discussed.

The payment of \$250.00 must be made but

There was discussion on the planning of well sites where several homes are to be built so there is no conflict on adjoining property with well and sewer locations.

Also there is a need for planning relating to crop spraying safe distances and manure application distances from wells and streams.

Cluster housing and Transferable building allocations were pointed out as future items to be dealt with.

The meeting was adjourned
