

A special meeting of the board of supervisors of Codorus Township was held Tuesday June 9, 2026, at 8:33PM immediately following a public hearing.

Brandon Maxwell started the meeting by asking residents who is in favor of adopting the data center ordinance.

Brandon thanked residents of the community for coming out and voicing their opinions and concerns.

Many residents thanked the supervisors for their dedication.

Jason explained the supervisors will work together to keep working at the ordinance and make it as strong as possible.

Jason made a motion to adopt the ordinance. Charlie seconded. Motion carried

Brandon made a motion to adjourn the meeting. Jason seconded. Motion carried

Meeting adjourned at 8:40PM.
